4 - After registration is complete, your dashboard will open. This is where to find the course. As you register for and complete additional courses, you can also access any of them here on the dashboard.

5 - You will also receive an email to take you directly to the course.

6 - Click your available course and follow the prompts to complete your education. Each course should take about 15 minutes to finish.

7 - After completing your course, a certificate will be available to download.

Additional courses will be added to provide higher levels of education and expertise as your skill level grows.

Be sure to check back often to complete all the Responsible Rider Masterclass courses.
